it was Carl Goldberg anniversary cub with an O.S. 40 SR motor...while I don't know the exact amount It raised more money than the "runway" cost

..Jim Danforth may be able to provide an exact amount. 1 NOVI 2Evolution .46 3 \$300 4. I think @ 230 See you in church From Fr Ric re: his plane!!

I need information about building and flying activity, photos and any other interesting material you may have for the Newsletter! I hope to post one every month but may have to skip months if no information is forthcoming! Keep me informed and I will relay that information to the club membership!

Thanks,
