Many prizes were given away including an airplane and new transmitter system. A big thank you goes out to His and Her Hobbies for donating the door prizes for the evening.

Thanks to Gene Barker for a entertaining and informative history lesson on the clubs beginnings.

# Support Your Local hobby shop

The holidays are right around the corner and that means its almost time to buy some Christmas presents. You can tell your family and friends all the stuff you just have to have to keep up with the hobby. Then tell them to go buy it at our local stores. If you want something that they do not carry, you need to tell them. They want to have on hand what you want to buy.

His N Hers hobbies has gone out of their way to help the club this year. They have made a lot of donations So help them back by buying lots of their items! They are getting more and more r/c plane and helicopter stuff in all the time. Thanks Kevin!!

Hobby Land is getting a face lift! Jerry is the new, very enthusiastic owner. He is going to move out the old and bring in the new. Jerry invites anyone to stop by and tell him what you are looking for him to carry.

The SIRS club and the hobby stores need each other. They help people into the hobby and point them in our direction. Then we crash the planes and go back in their direction. It's a win win deal for all of us.

Tom Kirk  
SIRS President

**There were no minutes for the November meeting as it was the Awards Banquet.**
